

## BUSINESS SPONSORSHIP

The LV Viking Booster Club would like to invite you to become a corporate sponsor and participate in our Business Sponsorship Program which provides the opportunity to advertise at the Viking Sports Complex (up at our high school) while also supporting our Club. The Booster Club shares the responsibility of helping to ensure that our student athletes have a memorable sports season as they try to remain focused and push even harder to attain their goals during this unordinary time. We are inspired by their commitment and dedication as they continue to train for the 2020-2021 season. *The resiliency of a competitive spirit cannot be defeated.*

Due to the generosity and support of our corporate sponsors, the Booster Club continues to raise money to help fund our Scholarship Program for graduating Seniors and additionally contribute towards the needs of both the Middle School and High School Athletic Programs. Our LV coaches and student athletes remain ever grateful for your considerable donations as our Viking athletes look forward to another competitive sports season!
