

Embrace Opportunity and Present a Mini-Conference Workshop

Share and inspire others by presenting a workshop for the Arizona GA/Gam Anon Mini-Conference
Saturday, November 2, 2019

GA & Gam Anon are looking for people to share their experience, strength, and hope with our brothers and sisters in the program in Arizona. We need people to present workshops for

GA, Gam Anon and combined GA/Gam Anon.

Workshops are 45 minutes and should include presentation and time for sharing/group discussion.

Present/share an idea or topic and lead a discussion with the attendees.

We all learn from one another!

Don't want to do a workshop alone? Find a partner or talk with us about pairing up with someone else to do a workshop. Please submit this form before October 1, 2019.

We need YOU! ☺

PLEASE consider getting involved and inspiring others with how the program has helped you to cope, grow and change.
