Thanksgiving: A Great Time to Plan Ahead for Your Family

Dear Valued Customer,

The holidays are a time for food, friends and most importantly—family. Give thanks this November by making sure your loved ones are protected. Without a plan that clearly defines your wishes, what happens to your business could be left to state laws. LegalZoom can help ensure your loved ones are protected.

Ways to plan ahead:

- [Last will](#). Designate how you want assets divided and specify guardians for minor children
- [Living trust](#). Maximize what you can pass on and control what happens to your business
- [Living will](#). Be in control of decisions regarding your health
- [Power of attorney](#). Decide who will be in charge of your finances—rather than the court

At LegalZoom, we're thankful for our customers who have trusted us to find affordable legal solutions. Nine out of ten would recommend us to their friends and family.
