

Executive Committee Meeting

Oct 28, 2017

There was an executive committee meeting held after the general meeting to introduce the new officers.

Julie Cahaj, Ron Hopkins, Norbert Neal were not present.

Contact information was exchanged.

The website needs questions/comments sent to Jim, Robert and Becky so that they can be answered in a timely manner.

Jim will try to rework the KHPA Facebook page and make it a group.

There will be an Air B&B available to members who work multiple shifts at the fair booth. They will need to contact Kristi.

Becky will try to get a Facebook group made for the officers since emails are a little harder to follow when a group is messaging.

Meeting adjourned.
