

WJCC Democrats' 2020 Goals

The WJCC Democrats recognize that we face extraordinary challenges as both a community and a committee due to coronavirus. We intend to continue the work of the committee and to make progress on all of our goals, despite the difficulties we may face.

Organize to increase activism.

- Increase Committee membership.
- Increase the Committee's reach by growing our email list and improving our social media presence.
- Engage with activist groups.
- Develop a robust volunteer cadre.
- Ensure that each of the 21 precincts in Williamsburg and James City County has a year-round precinct captain who shall assist with staffing of polls for all democratic elections and recruiting membership for the committee at the precinct level.
- Encourage absentee voting.

Raise funds to support candidates and committee operations.

- Solicit membership contributions.
- Generate needed proceeds from a variety of fundraising initiatives.

Support Democratic candidates in the 2020 elections at every level of government.

- Provide training to support candidates.
- Use our volunteer cadre for phone-banking, canvassing, and staffing the office and polls.

Address community concerns.

- Research issues of community concern.
- Recruit speakers with expertise to discuss those issues.
- Lobby national & state representatives.

Reinforce unity among Democrats and those who share our core beliefs.

- Host social events that provide a forum for communion and communication.
- Help Democrats network in their own neighborhoods.
- Actively work to increase the diversity of the Committee by reaching out to, supporting, and partnering with groups underrepresented on the Committee.
