TUITION & ENROLLMENT FEE

For the convenience of all students (especially international students), we required that all tuition and fees be paid online at our website at www.adonaiuniversity.net. You can submit your application by email upon payment of the appropriate fees. Enrollment herein must be in conformity to the semester enrollment requirement for each program as outlined in the AICU catalog except in cases as noted below. Students may enroll in more than one semester at once, but can only progress with the required courses in one semester at a time. A Student enrolled in one term in any semester must enroll in the second term immediately upon completing and submitting the coursework for the first term in the semester to prevent loss of time, allowing themselves to proceed with the program in a timely manner. If any course is not completed in a semester, the student must re-enroll in the course in the next semester to allow him to submit his work for grading and in some cases this may extend the semesters required to complete the program. Students must note that this will cost more than the full tuition required for the program. Therefore it is best that they proceed with the program in a timely manner. *Tuition discounts apply for payment in full. See note at the bottom for applicable discounts and required course load in each term.*
