HOWARD SOIL & WATER CONSERVATION DISTRICT (HSWCD) ~YEAR IN REVIEW 2016~

Outdoor Classrooms

The 31st annual **Arbor Day** Outdoor Classroom was held on April 28, 2016 at the Prairie's Edge Nature Center. There were 103 third grade students in attendance. Stations included Backyard Conservation with Neil Shaffer from Howard SWCD; Wildlife presented by Angela Bries of Howard County Conservation; Bird Identification led by Mary Jo Hartogh, volunteer from Elma; Tree Identification with Jed Becker, volunteer from Cresco; and Watersheds presented by the ISU Conservation Station. Each student took home a potted Black Hills Spruce tree seedling. Funding for this year's trees was provided by the Northeast Iowa RC&D Employee Giving Fund.

The 39th annual **Natural Resources Day** Outdoor Classroom held on May 12, 2016 at the Prairie's Edge Nature Center welcomed 117 fifth grade students. Stations included Entomology presented by Angela Bries; Bird Identification with Mary Jo Hartogh; Woodland Plants & Flowers led by Connie Richter, volunteer from Lime Springs; Soils with Neil Sass,

NRCS Agronomist; and Bees with Jed Becker.

These events are successful thanks to volunteer instructors who have dedicated many hours of their personal time over the years. Thanks also to the Howard County Conservation Board for use of the Nature Center and grounds.
