

FROM THE PRINCIPAL'S DESK

Dear Family of Sts. Peter and Paul,

Last May 30, 2017, the students at Sts. Peter and Paul participated in Career Day. Alumni, parents, relatives and friends came to share their expertise with the students from grades PK through eighth grade. Students attended talks and spent the day broadening their horizons and looking at the future.

It was gratifying to see the engagement of the students and the desire of the faculty and staff to help them benefit from this day. I would like to especially thank Mrs. Yvonne Gago and Ms. Gabrielle Dinkins for coordinating the day and diligently worked for hours on end coordinating this learning experience for the students.

On behalf of all of us, we extend our most sincere gratitude for all who made this day possible by giving to Sts. Peter and Paul Catholic School their time and their talent. May the Lord bless all of you.

In faith, hope and charity,

Carlota E. Morales, Ed. D.
Principal
