

2020-2021 Family School Reenrollment Packets were distributed Tuesday, February 4th. If you haven't received a packet and plan on returning for the upcoming school year, please stop by the front office to pick one up. Packets are due back Friday, March 6.

Please read carefully the required information needed to be accepted for your child/children to be reenrolled for the 2020-2021 school year.

Our annual school Garage Sale is quickly approaching, and we would appreciate any donated items to make this a success. Last year we raised enough money to purchase picnic tables for the children's playground. The children loved eating outside using the tables during most of spring and early summer. This year we would like to purchase toys for the older playground. If donating large items, we can accept them closer to the Garage Sale date since we are limited with storage. Thank you!

We need your help! Please make sure to sign in/out your child daily on the sign in/out sheets we provide. Our school has to show proof of children's attendance to our state licensing representative. Thank you for helping us to stay in compliance with childcare licensing.
