CHILDREN'S VILLAGE

Love in Action Malawi Ministries has been blessed by an anonymous donor to purchase 38 acres of idle land in the Salima District. Part of the land will become Love in Action Children Village. The goal is for classrooms, a modern library, computer center, sports complex, chapel, offices and kitchen. Another part will be a farm with a solar powered irrigation system. The farm, we pray, will benefit the whole community.

This is an ambitious plan and will require finances. Donations will be geared toward developing the land for planting as a primary concern. So a tractor, tillers and fertilizer to cultivate the soil will be first on the agenda.

Mighty Hands, Inc. is working with and helping to support Love In Action Malawi. Donations made to Mighty Hands can be directed to this project. Your prayers for this project are appreciated.

Message from the President

I am very excited about what has transpired over the last several months. We have been blessed to impact the ministries we support in a much greater way because of a few faithful donors. Just think what we can do with your help as well. Please seek God about it and if He lays it on your heart to do so, don't hesitate to join us in this vineyard. It will prove to be a rewarding and a fulfilling experience.

The children need you and we are committed to insuring that your donations will be used to make a positive impact on their lives.
