

EECO Membership Application

Come experience the fun and excitement of Combined Training!
Known as the "Equestrian Triathlon", eventing includes three disciplines of training: dressage, cross country jumping and stadium jumping. Our goal is to provide opportunities for people and horses of all levels to participate in the sport of eventing in Central Oregon. We host schooling/play days, combined tests, event derbies and one-day events with opportunities for beginners through more advanced riders to practice, compete, and have fun locally.

Membership Fees: Individual - \$25/year, Family \$45/year
