Consent For Treatment

INFORMATION FOR CLIENTS and CONSENT FOR TREATMENT

The mission of Integrity Counseling, LLC is built on the foundation of empathetic and compassionate professionals who believe in the inherent strengths and well-being of those with whom we have the privilege to work. We view ourselves as partners with you and respect your values and experience and will work diligently to assist you as you confidently move forward in your life journey. Vision: Our vision is to help you see the value in the person you already are.

This sheet contains important information about our policies and procedures. Please read it carefully. Ask your therapist to answer any questions you may have.

Eligibility:

Eligibility for Integrity Counseling programs is based on the existence of a presenting problem. You may be referred to another community resource if you (1) do not meet the eligibility criteria; (2) there is not enough staff time available to help you; or (3) there is a more appropriate service provider elsewhere in the community or your insurance company has another counseling resource for you.

After you begin working with Integrity Counseling services may continue: (1) so long as there are identified treatment goals which have not yet been met; and (2) there is evidence that you are interested in pursuing these goals.

The agency may discontinue services if: (1) all treatment goals have been met; (2) you fail to demonstrate an interest in actively pursuing treatment goals, for example, by showing a pattern of regularly missing appointments; (3) you fail to pay for services as agreed upon in your Fee Agreement; or (4) upon the professional recommendation of your therapist.

Appointments:

Appointments are scheduled with individual therapists. A counseling or psychotherapy hour consists of a one 45-60 minute interview with your therapist. If you need to cancel an appointment, please do so at least 24 hours in advance. **You**, not your insurance, will be billed for missed appointments.

Hours:

The agency is open Monday through Friday 9:00a.m. to 8:00 p.m. Evening/Weekend hours are available by appointment.

Consultants:

Your therapist collaborates with other licensed therapists in his/her clinical work. Your therapist also has a supervisor who may be contacted if you have questions or concerns. The supervisor will meet with you when necessary or at your request.

Confidentiality:

All contacts between staff and clients are strictly confidential and will not be revealed to any person or agency outside of Integrity Counseling, without your written consent. The primary exception to this rule is those situations in which reporting is mandatory under Wisconsin law (e.g., child abuse, child neglect, sexual abuse, etc.) In addition, please note that your signature on the fee agreement gives the agency permission to release information necessary for the processing of claims for payment.

Electronic Communication

Please note that our therapists will only respond to text messages during normal business hours. Texting as form of communication is up to the therapist and you may discuss this option with them during your sessions. Texting is not a form of communication that can be used to report a crisis. If you are in crisis please use the crisis hotline. Numbers for the crisis lines are located within this document. See the following section below.

Emergencies:

In an emergency, you may call the office 24 hours, 7 days a week at (920) 385-1420 and leave a message. Your message will be passed along to your therapist within one business day. Your therapist will provide you with their direct phone contact information. You may also contact your therapist directly at the number they provide to you. They will return your call within 24 hours during normal business hours Monday- Friday. The following are a list of additional numbers to call in the event of an emergency and you need to reach someone outside of our normal business hours:

Winnebago County Crisis: (920) 233 – 7707 or (920) 722 – 7707

Outagamie County Crisis: (920) 832 - 4646 or (800) 719 - 4418

Informed Consent:

It is the policy of Integrity Counseling that each patient, or individual acting on behalf of the patient, will receive specific, complete and accurate information regarding the psychotherapy or other treatment they receive through the agency. You will be asked to read and sign the Informed Consent Policy form prior to beginning work with your therapist. Those patients receiving medication from an agency consultant will be asked to sign an Informed Consent specific to the medication being used.

Grievance Procedure:

Integrity Counseling shall, as part of the intake process, share information with clients concerning informal methods for resolving client concerns and formal procedures by which clients may seek resolution of a grievance. At any time a complaint occurs, the client or other complainant shall be provided with a copy of the agency's Client Grievance and Requests for Administrative Review Policies and Procedures. Program staff shall be familiar with client rights and with these agency procedures. The program staff and their supervisor will forward the complaint to the local Client Rights Specialist.

No sanctions will be threatened or imposed against any client who files a grievance or any person including an employee of the agency, the department, or a county department or a service provider, who assists a client in filling a grievance or participates in or testifies in a grievance procedure or in any action for any remedy authorized by law.

If you have a concern about the services you are receiving, you are encouraged to discuss it with your therapist. If this does not resolve the issue, you may present a written complaint to one of the two co-owners of Integrity Counseling, LLC (Janet Hagen or Ann Dake). If you are still not satisfied, please request a written copy of the Grievance Procedure.

Client Access To Records:

Under Wisconsin law, you have a right to review your treatment record. Ask your therapist for the procedures used in sharing your file with you. If you feel that it contains incorrect information, ask your therapist for the procedure used to request a change in record information.

Fee Policy:

A fee is charged for professional services provided by the therapists at Integrity Counseling. If you have private insurance or medical assistance, we will bill for services at the established rate. If you do not have insurance, or if your insurance does not pay in full, you will be responsible for paying the rate established on your Fee Agreement. You are also responsible for continued payment at the agreed upon rate once your maximum insurance benefits have been used.

If you are receiving services under managed care, health insurance, medical assistance, or an EAP, the agency will need to obtain information about covered services, co-payments and deductibles, etc. The agency will either obtain the specific information required or ask you to obtain the information. Your signature on this form authorizes Integrity Counseling to release any information necessary to process insurance claims.

My signature below indicates that I have been given a copy of this information sheet, the "Client Rights and the Grievance Procedure for Community Services" brochure and the Integrity Counseling Joint Notice of Privacy Practices". For clients age 12-17, I have been given a copy of the "Rights of Children and Adolescents in Outpatient Mental Health Treatment"
