

The Cottage West, 1 bedroom apartment

Old Naples Historic Home

Terra Palma
1912

The Cottage West 1 bedroom apartment was built in 1912 and has been completely remodeled to the highest standards. It has 520 square feet of living area, an open plan great room with a vaulted ceiling.

Features include a full kitchen with granite countertops, central heating and air conditioning, rosewood flooring, ceramic tile bath with a large shower enclosure, LCD TV with DVD player, CD player and WiFi computer access. It is fully equipped for vacation enjoyment.

The apartment faces the butterfly garden patio with access to the heated swimming pool, a hot tub, a gas grill and ample parking. A laundry room is off to the side of the garden path. Bicycles are available.

Ideally located just 600 feet to beautiful Naples beach to the west and an equally short walk to restaurants, shopping and fine art galleries on 3rd Street South to the east.
