

**Prattville Service League
2018 Labor Day
Barbeque & Arts and Crafts Show**

Dear Exhibitor:

The Prattville Service League is getting geared up for their 2018 Labor Day Barbeque. This will be our 66th Annual Labor Day BBQ and we are planning a fun-filled day. I have enclosed a registration form for the Arts & Crafts Show for you to complete and return to me by August 25, 2018 at Prattville Service League, PO Box 681595, Prattville, AL 36068. The cost for a vendor booth is \$40.00, and payment is required at the time of registration.

The Prattville Service League will give one lunch ticket per registration form to participating exhibitors. We will also have a registration booth set up for vendors to pick up their packets. This packet will include one free BBQ tickets, booth number, a map of the park with booths numbered, instructions on loading and unloading, location of available parking and a schedule of events.

For those of you that may not know, the Prattville Service League is a service organization. The net proceeds from the Labor Day BBQ are given back to the community through cash donations. Some of the organization that benefit from the money raised by the Prattville Service League are the Autauga County Schools, Department of Youth Services, Boy Scouts and various others.

I would like to thank you for your continued support of the Prattville Service League and hope to see you this year at the 2018 Annual Labor Day Barbeque. If you have any questions, please call me at (334) 492-0103 or email me at samlynn51@yahoo.com.

Sincerely,

Samantha Bowen
Vendor Chair
