

# Andover Glen Gazette

Fall 2019

ANDOVER GLEN HOMEOWNERS ASSOCIATION NEWSLETTER - [WWW.ANDOVERGLEN.ORG](http://WWW.ANDOVERGLEN.ORG)

IN THIS ISSUE

## From the (New) President

Dear homeowners,

I recently joined the Andover Glen Board and look forward to being involved with this wonderful group of volunteers who serve our community.

We have lots of ideas and goals for the coming year to continue the work of past boards in creating an inclusive and thriving neighborhood.

I look forward to, and thank you all in advance, for your support, ideas and improvement suggestions in making Andover Glen the best place in which to live!

Warm regards,

Lynn Walton

## From the Board

At times, we all may find ourselves having disagreements with our neighbors.

Simple communication, which we encourage, will often solve the problem. Sometimes however, it will not, in which case please contact a board member for help before things escalate.

Lastly and with the holiday season approaching, the Andover Glen board would like to acknowledge that we are very grateful for the diversity of people amongst us.

Therefore, we wish you all a very healthy and happy season of the holiday each and every one of you chooses to celebrate.

May it be filled with love, peace and compassion.

The AGHA Board

**From the President & the Board**  
Brief comments and/or reminders the President of the association.

**New HOA Board**  
Results from the annual meeting.

**Event Successes**  
Updates on the Picnic, etc.

**Upcoming Events**  
Post-holidays party in the making.

**Neighborhood Watch**  
Porch pirates are coming.

**Emails Please**  
Please share so we can too!

**Friendly Reminders**  
Important things to keep in mind.

**Board Members**  
Keep in touch!

## New HOA Board

During the board annual meeting on September 16, three new homeowners were voted onto the board; Ann Marie Isaac-Heslop, our new Treasurer; Lynn Walton, our new President; Dave Estes, our new Architectural Committee Chair.

Matt Lenhart and Bill Schwab have departed the board, and we want thank them both for their dedication and the support they provided to our community for the last few years.

We also had a much better turnout at this year's annual meeting than we have had in a long time, so thank you to those of you who could attend for your support as this event is a very important part of our community.

## Event Successes

The Annual Summer Picnic was again very well attended this year, and a great opportunity for the community to get together and meet new neighbors.

Kids really enjoyed the water slide & the bouncy house, and the food was great thanks to the many great cooks in our community.

A very special thank you to Jay & Kathy Johnson for once again treating us with their delicious ribs.

The dumpster weekend was also a success and allowed many to dispose of their bulky and unwanted items.

Thanks to everyone for abiding by the dumpster usage rules and making it easy for everyone to partake.

## Upcoming Events

The board is currently planning for the post-holidays AGHA party which will be held on Saturday, January 25, 2020.

More details about the event will follow shortly.

Please make room on your calendars and be prepared to enjoy an evening of good food, good fun, and good friends.

## Neighborhood Watch

With the holidays approaching, please be aware of porch pirates. If you see something that doesn't look right, call the Aurora police dispatch dept. at (303) 627-3100.

The Aurora police department's general information number is (303) 739-6000, and for emergencies dial 911.

Please check (and sign-up with) [www.arapalert.com](http://www.arapalert.com), a notification system about all natural or man-caused disasters in the Arapahoe county.

## Emails Please

Your email address is totally safe with us, as we absolutely do not share them with anyone outside of the board members.

Please share it with us so you can receive all HOA communications.

## Friendly Reminders

Our covenants require an ACR (Architectural Change Request - available on the website) form to be completed and approved by the Architectural Committee Chair, prior to the work being done.

- 15 days prior to the start date for minor changes such as painting, roofing, minor landscaping, siding, windows, rear decks and patios, etc.

- 45 days prior to start date for major changes in landscaping, exterior additions, and large concrete projects (sidewalks, driveways, etc.).

If these deadlines are not met, the board cannot guarantee your request will meet your expected start date, and under no circumstances can your project begin without written approval.

Also, and per the Aurora city code, you cannot blow leaves in the streets & gutters, and you must shovel your sidewalks within 24 hours of a snowfall.

Lastly, solicitation is not permitted in Andover Glen, whether or not you are a homeowner.
