## ACTIVITIES

Activities are held on our beautiful 3.5 acre site at 3535 Jones Creek Road that includes a 5000 square foot building complete with a stage and theatrical lighting, raised dance floors, and a large in-ground shallow swimming pool. All sessions include swimming, weather permitting.

Students rotate in small groups (according to their age) daily through 3 to 4 activities blended with time for swimming and games such as **Wii JUST DANCE**. Programs are delivered by a staff of experienced educators and assistants. Students will build new friendships and gain confidence. Our camps are boutique style in that they are smaller in number, giving your child the attention, activities, exercise and learning experience that will make their summer not only fun but also enriching. Learning is fun!

**ART ADVENTURE** includes basic elements of art. Create art using watercolor, mixed media, found objects, self portraits and hand built pottery, photography, and mask making. Each camp features completely new projects; so your child will learn new concepts and experiment with different media at every session.

**MAKE-A-MOVIE** Students will be writing, directing, and starring in a movie! This camp will include acting lessons, set and costume design, and acting games. **\$20 video fee**. You will receive a high definition link to your child's movie a few weeks after the camp.

**PUMP IT UP/JUMP IT UP** includes games, exercises like karate, yoga, swimming, and activities focused on keeping your child fit and healthy. We also feature healthy snacks. Pump it Up! will have a **GIANT WATER SLIDE!** Jump it Up! spends a morning at **AIRBORNE EXTREME ADVENTURE PARK**. **PLEASE BRING \$15 CASH ON JUMP DAY TO GET INTO ADVENTURE PARK.**

**DRAMARAMA** is a two week drama workshop for boys and girls that includes acting, musical theater, stage movement, set and costume design, culminating in a production on the last day of camp. A **\$25 costume fee** will be charged after the first day of camp. Costumes and props will be provided. This year we will perform **Aladdin!**

**CAMP GREEN THUMB** teaches your child about planting, harvesting, conservation and eating what you have grown. Campers get to taste some of the delicious harvest as well as bring home a plant to grow at their house.

## LUNCHES AND SNACKS

For your convenience, we offer campers the option to purchase a **CATERED LUNCH** for **\$8 per day**.

Monday and Fridays are Pizza Day (Cheese or Pepperoni). Tuesdays we offer grilled hot dogs on a bun with chips. Wednesdays menu gives campers the choice of chicken and sausage jambalaya, chicken and sausage pastalaya, or chicken nuggets. Students can order green beans, white beans or fries as a side. Thursdays kids may order Lunchables or Mac and Cheese.

Of course, students always have the option to bring their own lunch and/or snacks each day.

We also offer water, juice and canned drinks for purchase (\$2) as well as snacks such as popcorn, mozzarella sticks and Rice Krispie Treats (\$1).
