1	My planning time is consumed with meetings.	
2	They always try to have teachers go first so they can be excused, and its my understanding that per our contract under Planning and Prep time 4.2.4 that those meetings are required as mandated by law and specially funded so it's all been within the contracted times.	
3	All meetings are during prep time or gen ed teachers do not participate in the meetings. Teachers are sent back to class before meeting is over if the time goes into instructional day rather than have the class covered.
