# President's Piece

May is here already!

With that being said, the construction season has heated up!

During our April meeting at Bucca di Beppo we had a wonderful presentation from the Co-Owners of a Goliath Tech Franchise – a screw pile system. Should seek further information regarding this system, please follow the web-site at [www.GOLIATHTECHPILES.COM](http://www.GOLIATHTECHPILES.COM) and ICC-ES Evaluation Report ESR-3726.

In attempting to keep the SBOC membership up to date, SBOC will Not be having our monthly meeting in July and our Annual Golf outing is scheduled for August 24, 18 at the Boughton Ridge Golf Course in Bolingbrook. An information flyer will be provided.

The SBOC Board is working at filling the programs for our monthly training meetings. Should any of you have any thoughts for a monthly training session feel free in contacting any of the Board members. Hopefully, you will have a presenter's contact information and are able to forward this information to the SBOC BOARD. With that being said, we the SBOC Board are looking for some volunteers to become Board members in 2019. Volunteering is a great way for members to have their voice heard, recommend programs and activities. Having new people provides fresh new ideas. Over the years. This is YOUR opportunity to Make a Difference and be heard. So, why not contact me or any other Board member. I've enjoyed myself greatly being a Board member. Believe me it's FUN and GRATIFYING! The SBOC Board looks forward in hearing from you!

The May Monthly Program will be "BlueLinx Engineered Products – Advanced Framing Lumber System Use and Purpose presented by – John Flaherty of Engineered Products Chicago.
