Recent Events

Longtime Rotarian Bill Pollard, Vice President of Blue Ridge Bank in Hampton and former Governor of our Rotary District 7600, talked to the club about F3 Fitness -- a national network of small, free, peer led men's groups of which he is a member that concentrates on their three core principals of Fitness, Fellowship, and Faith. There are currently some 4500 such groups in all 48 states.

Our very own Treasurer, Dave Fulk, provided a comprehensive report on the status of our Club's finances for the year 2023-2024. Dave's presentation addressed the finances of both our Yorktown Rotary Club and our Yorktown Rotary Foundation. He also included an excellent description of each of the local organizations in our community to which we have donated funding this year. Great work, Dave!
