Dear Camp 7 Families,

At Camp 7, we are committed to providing quality programming to our families. We work hard to keep camp at affordable prices. Due to an 8% minimum wage increase in January 2020, program changes and minimal funding, our tuition has been raised. The prices for Summer 2020 are as follows:

Registration Fee: \$40

One Week: \$287

Full Summer: \$2,715

As a non-profit, pricing fluctuates with the amount of funding we receive. We graciously accept monetary and in-kind donations of goods and services. All donations are tax deductible.

As Camp 7 and SOAR join forces, we are proud to provide the following:

- Trained, Background Checked Counselors
- Consistent Extended Care Location with Satellite Stops
- Air-Conditioned Vans
- Weekly Field Trips to Camp 7 Property
- Enrichment Trips to Fun Locations up to 2 hours Outside of Grand Junction
- Afternoon Snack
- No Additional Activity Fees
- Activities Meeting a Variety of Interest Areas
- Connections to Community Resources

Your continued support is appreciated, and we are always willing to work with families who are greatly affected by rising costs. Payment plans, scholarships and discounts are available. Please contact us for more information. We look forward to seeing you in Summer 2020.

Sincerely,

Kelsey Sprys
