MEMORIAL DAY WEEKEND RACE RESULTS

The MC fleet got in three races in fading breezes on Saturday morning. The E fleet awoke to a still, foggy and wet Sunday and quickly determined that they would not attempt any racing that day. Monday proved to be the best with a steady light breeze to start.

Welcome

Welcome to our many new and returning members. If you see someone new to you, please introduce yourself to them.

INTERESTED IN SAILING?

There are several racing fleets at the KYC and a good number of pleasure sailors. If you are interested in sailing, many captains need crew at some point in time over the summer.

Stop and chat with the sailors after racing or reach out to one of the fleet captains (emails on the KYC website).
