

# IT WAS YOU

2010M.Falcone/H.J.Henry

Things are sure-ly chang-ing and all for the good, For rea-sons that un-til now I  
nev-er un-der stood I used to won-der why I came here\_\_\_ What it was I had to  
be near. It was you Be-cause of you My life has turned a-round Just when it could-n't go  
an-y fur-ther down It Was You Be-cause of you My fu-ture now seems sound I'd just a-bout quit  
look-ing and then\_\_\_ I turned and found\_\_\_ It Was You I was feel-ing low  
Filled with fear I did-n't know what was next\_\_\_ I want-ed my prob - lems to  
dis-ap-pear\_\_\_ When fin-!ly I stopped O-pened my eyes And you were right here\_\_\_ I  
had-n't re-a-lized It Was You I did-n't think an-y one could hear my cries When sud-den-ly  
To my sur-prise, It Was You. It Was You Be-cause of you my life has turned a-  
round I'd just a-bout quit look-ing and then\_\_\_ I turned and found\_\_\_ It Was You.
