Attention: Ryan Crosby, Office Manager  
25 East Main Street  
P.O. Box 600

Dear Ryan,

Dr. McBreen, Greg Stephen, and I would like to thank you and your company for the dedication put forth to complete our Softball Restrooms during the summer of 2018. Your crew as well as the subcontractors you hired were all courteous, meticulous, and excellent to work with, especially under the tight timeline and weather implications. I specifically was pleased with the easy flow of the office documentation side of the job. I never once had to request any further information.

We would like to extend our confidence in you and your company and hope we can work with Balton Construction again in the future if it works out. Please feel free to use this job as a reference as well as any of us for contacts.

Sincerely,

Dr. Carl G. McBreen
