Harold's House invites you to be a part of our 1-Mile Fun Run & 5K. Funds raised from this event will benefit services provided to the community by Harold's House. Run the runway will be held Friday, October 7, 2016, at the Angelina County Airport located on Hwy 59S between Lufkin and Diboll. Registered runners may pick up packets early on October 6th and the morning of October 7th at Harold's House or at the venue prior to the start of the race. We request your assistance with sponsorship and/or a door prize.

Harold's House was established in 2003 and operates as an independent, 501(c)(3) non-profit organization serving all of Angelina, Nacogdoches, and Sabine counties. Harold's House works to assist law enforcement agencies, child protective services, and partnering agencies of surrounding counties. Our mission is to limit the amount of stress children and their families endure when dealing with abusive situations by:

- Providing members of the community a safe environment to disclose information about the situations they have encountered.
- Assisting law enforcement and child protective services in identifying and locating criminals involved in each case;
- Promoting abuse prevention by creating and distributing multi-media materials and information concerning signs of abuse, age appropriate child behaviors, and counseling;
- Training and advising volunteers who participate in the family greeter program;
- Initiating and encouraging the flow of information between area law enforcement agencies, child protective services, partnering agencies, and personnel.

Harold's House relies on donations for much of our operational expenses and this event will provide necessary funds to ensure we continue to provide the best possible case management. Your donation will assist Harold's House in remaining a viable organization and have a direct impact, making our community a safer place.
