NOTE: All food vendors with a current year’s inspection report from any member of the SJ Mobile Task Force (Camden, Gloucester, Salem, Cumberland, Vineland & Atlantic) are NOT required to submit an application to BCHD. A copy of the approved application and inspection report from the issuing county and a completed Mobile Retail Food Amendment Form will be accepted in lieu of the application. Once received, an Approval to Operate Letter will be issued for vending in Burlington County.

- A Mobile Retail Food Establishment Application (5 pages) must be completed and returned to the Burlington County Health Department (BCHD) prior to operating. (Note: This application includes Temporary Food Facilities such as Tables and Tent set ups).

- The vendor shall provide proof of an agreement with a SERVICING AREA (BASE OF OPERATIONS). [A commercial kitchen that has been inspected by a local health dept.] (This is page 3 of the application) If this facility is located outside of Burlington County, then a copy of the establishment’s MOST RECENT health inspection written report is also required.

Servicing Areas are facilities in which food and supplies are prepared, kept, handled, packaged, and/or stored. Also an operating base location to which a mobile retail food establishment or transportation vehicle returns regularly for such things as vehicle and equipment cleaning, discharging liquid or solid wastes, refilling water tanks and ice bins, and boarding food. (Private Residences Prohibited)

- NJ TAX ID # required: NJ law requires all vendors, even seasonal businesses and “one-time” vendors, who make retail sales and conducts business in NJ to register with the State for tax purposes and to collect NJ sales tax on all sales of taxable tangible personal property or services. File Form NJ-REG (Business Registration Application) Contact the NJ Dept. of Taxation at 609-292-6400, email nj.taxation@treas.state.nj.us or online: www.state.nj.us/treasury/revenue/gettingregistered.shtml Publications: http://www.state.nj.us/treasury/taxation/publsut.shtml

- All vendors shall provide a method of handwashing such as running water with soap and paper towels or a hand wash station approved by the BCHD.

- Written Permission from municipalities regarding vending locations may be required prior to BCHD approval.

- An inspection by a representative of the BCHD shall be conducted prior to operating or arrangements shall be made with BCHD for an inspection during an event to determine compliance. Upon completion of a Satisfactory inspection, a written inspection report and Satisfactory evaluation placard will be issued to the vendor.

- The vendor shall then provide a copy of the inspection report and evaluation placard to each municipality serviced, to obtain a food vending license or permit, prior to operating.

- The inspection placard must then be posted in view of the public during all working hours. Annual inspections are required by BCHD, in addition to local Municipal licensing.

HOME PREPARATION & STORAGE OF FOOD IS PROHIBITED
Dear Mobile Food Vendor:

If you are planning on operating a retail mobile food vending business in Burlington County, you must fill out an application and submit it to this Department for approval.

As you may be aware, any person or operation that intends to serve food to the public is required by state law to have an approval from the local health department prior to operating. This applies to fixed as well as mobile operations and approval is necessary regardless of whether there is a charge for the food. A Mobile Retail Food Establishment is defined in N.J.A.C. 8:24-1.5 as “any movable restaurant, truck, van, trailer, cart, bicycle, watercraft, or other movable unit including hand carried, portable containers in or on which food or beverage is transported, stored, or prepared for retail sale or given away at temporary locations”. This includes “table tops”.

In addition, a “Servicing Area” is defined as “an operating base location to which a mobile retail food establishment or transportation vehicle returns regularly for such things as vehicle and equipment cleaning, discharging liquid or solid wastes, refilling water tanks and ice bins, and boarding food”. FOOD PREPARED OR STORED IN A HOME KITCHEN IS NOT ALLOWED TO BE SERVED TO THE PUBLIC.

Enclosed is a “Mobile Retail Food Establishment Application” and instructions for completing the application. Please note the following:

- If you will be vending in a municipality, participating in a special event, or have a servicing area in Burlington County, you must submit an application prior to operating.
- The application must be signed by both you, as the Mobile Food Vendor, and the Servicing Area Owner.
- The Servicing Area owner must have a current inspection and possess a “Satisfactory” rating. Mobile unit inspections are conducted at the servicing location. If your servicing area is not located in Burlington County, you must contact the Health Department with jurisdiction in that county.
- The “Mobile Retail Food Application Amendment”, which has also been included, must be submitted for each additional special event you will be participating in once your initial “Mobile Retail Food Establishment Application” has been approved.

These documents and other retail food information can also be found on our website at: [www.co.burlington.nj.us](http://www.co.burlington.nj.us) (enter “Retail Food Forms” in the search value)

If you need assistance or have any questions, please feel free to contact me at 609-265-5521 or Tyrone Eugene at 609-265-5566. Thank you for your cooperation in this matter.

Very truly yours,
