

PERSPECTIVES - JUNE & JULY 2020

Carolyn Durphy - President

Hello again to all our AARP members. June came and went and I didn't get a letter out. I am going to try and do better from now on. A lot has happened since we last corresponded.

I hope you all enjoyed Father's Day in your own special way. We also had Flag Day and D-Day in June. Summer was officially started on the 20th. And the start of some really hot days. The beginning of the 90 degree days my A/C went out!! I had an oscillating fan to use in the family room and waited it out till the repairman could come repair the heat pump.

On Saturday, June 22, there were about 30 to 40 cars that did a surprise birthday drive-by for Madeline Salustri's 90th birthday. The LOW Players also participated. It was a beautiful joyous day and the rain held off till after it was all over. Madeline has since had a hiatal hernia operation and is back home and doing very well. She is one "plucky" lady. We love ya Madeline!!

Just read in the latest Lake Currents that LOWA will have a "Celebration of Patriotism" on Saturday, September 5th. I will reserve a spot on the point for us so we can be part of the day. Please plan to take some time at the table.

I received a call from Claudia Low of the LOW Lioness. She asked if we would, as the local AARP chapter, like to donate monies for school supplies for the local elementary school on Route 20. It was agreed by all the officers and directors and we have sent them a check for \$200.00.

Since we don't have any trips to announce and I don't have any articles to include, please let me know what I can include in next month's letter. Let me know by the week of July 26. Let's try to keep this going so we don't loose contact with one another. My e-mail is "dolph1nlvr@msn.com and phone is 972-3306)

June Birthdays

Connie Buttmer, Lucille Churchill, Paul Conrad, Tom Gray, Stanley Lasover, Donna Morrissey, Carolyn Rourke, Madeline Salustri, Judy Schrage,

One last item, the 2020 phone books have arrived. As always, this is a LOW Fire & Rescue fund drive. They may be picked up at the Holcomb Building for \$10.00. Also, call me if I can be of assistance in helping you get one.

Until next month, stay safe, well and take one day at a time. Do keep in touch with your friends with a phone call, e-mail, face book, etc.
