 Home Submit Pictures Downloads For Judges Scoring Keypad Purchasing Privacy Policy Contact Into PhotoContest Pro provides two methods for submitting pictures to contests. Note that these methods have changed recently. Note that these methods have changed recently. Method 1 is the preferred method as it provides more features and a better experience. Method 1 is an installed program on your computer. It only runs on computers running the Windows operating system. Method 2 is a direct upload and works on nearly all combinations of browsers and operating systems. Method 2 has fewer features than Method 1 and should only be used if you can't get Method 1 working.
