**PUPPY**  
IN MY POCKET

**medical card**

**Specs** 118  
Jack Russell

Specs is not feeling very well. When he was playing with a football in the fields, he went to retrieve the ball and fell in some Poison Ivy. Now Specs has a very itchy rash. Do you know where the soothing lotion is?

**Mary** 120  
Old English Sheep Dog

Can you help Mary? While she was watching the carpenter at the boat yard, she stepped on a piece of wood and got a big splinter in her paw. Will you pull it out and put a bandage on it?

Huggability	7

**Buddy** 121  
Dalmatian

Buddy needs to start watching where he's going! He was so busy telling adventure stories to his friends that he didn't see the step that he tripped on and scratched his leg!

Temperature	7
Appetite	8
Energy Level	7
Huggability	9

**Jeremy** 122  
Basset Hound

Jeremy has not had a very good day today. Someone closed a door on his tail by accident and it's now very sore and swollen. A good night's sleep will help make it better - will you tuck Jeremy and his teddy into bed?

Huggability	8

**Colin** 123  
Miniature Dachshund

Colin is feeling very sorry for himself - when he rushed into the kitchen for his dinner earlier, he slipped on the newly washed floor and landed on his ear. Will you tell him a story and help cheer him up?

Temperature	4
Appetite	6
Energy Level	8
Huggability	7

**Mark** 126  
Springer Spaniel

Mark needs a bandage and a little bit of tender loving care. There was some broken glass in the park that no-one had cleared up. Mark accidentally stepped on it!

Energy Level	6
Huggability	9

**Julia** 127  
Collie

I think Julia could do with a kiss and a cuddle to help cheer her up. She was playing with her friends, when she fell over, spraining her paw - will you help put a bandage on it?

**You can make us better!**

**Mum and Babies**

**Vet Certificate**

133 **Julia**

Julia's babies have been playing outside all day and are very wet and muddy! They're starting to shiver, so you'll need to warm up your little patients and give them a good clean!
