

The International Association of Workforce Professionals (IAWP) Spring Institute is being held at the DoubleTree by Hilton Worthington on April 30 through May 1, 2020.

Our conferences provide attendees with an overview of what is transpiring within our agency as well as a state and federal perspective in respect to workforce development. In addition, this is a great opportunity to network with peers and partners.

Registration is Open! There is an exciting agenda planned and we hope to see you there!!
