CIA is not a branch of govt. Operates unconstitutionally. Spend billions stirring up trouble to have something to report on/don't have to account to anyone (Truman)*. We should all also protest/demand their reform or end. <http://ourconstitution.info>. Humanity's Abyss pg 7*.

Money should be no sway when offered by tyrants who realize fully their barbarism..these people must not work with students (or anyone). They should be in prison..all the taxpayer \$\$ spent over these years, in this grotesque exhibit of hubris and savagery <http://ourconstitution.info>.

<http://ourconstitution.info>. Link Humanity's Abyss... pg 7: Truman: "...those fellows in the CIA don't just report on wars and the like, they go out and make their own...billions of dollars on stirring up trouble so they'll have something to report on..." #protectpatientsstudentsall

See my 2 tweets above. Horror at the highest of levels, and the barbarism filters (pours) down. Demand investigations, justice, reform, & valid, reliable, verifiable oversight. No one is above or beneath the law and perpetrators must be held accountable. <http://ourconstitution.info>.

Disgrace [Rubio] is even in congress, let alone the Intel Committee. Things are much worse than this involving his \$\$ relationship with UM benefactor Braman & ignoring the murder of UM patient Joan M. See <http://ourconstitution.info>. D/R reps bought/paid for. \$\$, parties out of politics.

This attitude is pervasive, in general - allowed at the highest levels. If we do not demand reform, per Eisenhower, nothing else will matter. See what I mean, ALSO going on NOW <http://ourconstitution.info>. #protectpatientsstudentsall. Education-medical-military high level lethality.

How are we going to try to prevent further pandemics like this? International agreements halting biolabs and meat markets? I hope we do get to the origin of this horror - things to consider also at "Humanity's Abyss...", pg.75, <http://ourconstitution.info>. #protectpatientsstudentsall

Marijuana has benefits for certain illnesses, but can be harmful and cost more to society health wise than any benefit.

As scary as we are, a power vacuum, beyond the economy, is unthinkable. We must get to the foundation Our Founders strived for. Cohesion, not alienation. \$/parties out of politics. Military conscription-all have a say. Must see <http://ourconstitution.info>. #protectpatientsstudentsall

Washington hated parties. \$, parties out of politics. Many of our reps are bought & paid for. This undermines our Democracy & Constitutional Republic, Of, By, & For The People. It is more horrid than u kno - med-military - see <http://ourconstitution.info>. #protectpatientsstudentsall

One of six modules on world politics "is dedicated to defining and analyzing Islamic terrorism". This does not equal disapproving of Islam - scarily distorted agenda by this student. We must be concerned with all extremists. #protectpatientsstudentsall <http://ourconstitution.info>.

Season? #protectpatientsstudentsall See my book Humanity's Abyss at <http://ourconstitution.info>. Heed Eisenhower's/Truman's warnings or nothing else will matter. Education-med-military extrajudicial high-level lethality reported since Obama-FBI involved. Reps D/R bought/paid 4. Cvrup

This rush to shoot, in the back, etc., is much more serious. Systemic. "Humanity's Abyss..." no cost <http://ourconstitution.info>. High-level lethality in/out of hospitals via chemicals/biologics, deaths appear natural or unknown. Education-medical-military.Heed Eisenhower's warnings.

Did you know Washington hated parties? If we got \$\$ and parties out of politics, that would go a long way towards a government truly Of, By, and For The People... Our reps are bought and paid for, often by those they oversee. <http://ourconstitution.info>. #protectpatientsstudentsall

"Evers called for further accountability for law enforcement in a statement identifying Blake...he stands 'with all those who have and continue to demand justice, equity, and accountability for Black lives in our country.'" <http://ourconstitution.info>. #protectpatientsstudentsall
