Passport Identification Misused by Department of State and Jamaican Consulate

Since April 1, 2017, I have given my passports to be renewed to both the Department of State and the Jamaican Consulate and it has been past seven months and I have not yet been issued my own property in my own Earth which is not theirs.

From what I am learning, both these entities are sending my passport and my information to international countries for others to use them and for them to use my pictures and features and to switch their faces with me, so they can use my name and identification while I cannot use my own things. These activities of these government devils are Mal Rule and illegal and must stop right now. When I travel anywhere and use my passport, I am getting the SS which means they must stop and search me and they are taking from my body what they want. Additionally, I heard that what they are planning to do, is that when others are using my identification, I must be detained or imprisoned in foreign countries and to interrupt my travel, as they can do whatever they want with anyone, anytime they want, and no one can stop them.

Rover

No more military or federal using Rovers to do anything. We do not want to be filmed by anyone. We want to exist and live in a free environment from eye spying to make us feel uncomfortable and unsafe. We do not need spies and we do not want unwanted things or existence in our lives and presence.

Barak Obama

For the past two years, the Paulettas has been experiencing the terror of the Back Pack killer. He has targeted the supermarkets, stealing items and stuffing them in his back pack. Instead of paying, he shoots the workers, or he rapes them. This man is Barak Obama who calls himself the Senator in the Paulettas elevation of this Natural Natural Earth. Many copies of Barak Obama were found this November, face down floating in the water and he has with him many masks that he uses. He is an old slimy effigy with many layers over him.

Edward Seaga and Hatfield

Seaga, Prime Minister of Jamaica who puts himself as leader of the Paulettas is dead and Mark Hatfield of Miami International Airport is also dead. They have been killed and never to be in these Earths existences or in my creations or in all existences under my authorities or outside.

Transformed to Food

All devels can be transformed to food for any person animal or insect. No one can take my children, me, my family, generations, chreations, properties away from their places of residence and put them in devel wickedness or bad ways and then give them to be eaten by others, or terror them out of themselves. If anyone tells you to bite a devel and it will turn into food do it, as it is not a joke.

The Fly

The Army is the fly. The leaders, Police and military and armed forces are the fly. **All of you say:** The fly is in us, the fly is in us, the fly is in us, the fly is in us. Fly come out of me, fly come out of me, fly come out of me, fly come out of me repeatedly more than 20 times. Then stop and wait a moment. Then you say:

We do not know any fly, we do not know any fly, we do not know any fly, we do not know any fly. We cut and cross our waist, we cut and cross our waist, we cut and cross our waist, we cut and cross our waist. We rid and separate, rid and separate, rid and separate, rid and separate. We are not into it, we are not into it, we are not into it, we are not into it; **and dance this last one any way you want.** Then say: I go to where I am to beeeeeeeeeeeeeeeeeeeeeeeeeeeee; then stop and wait a few moments before moving or speaking.

Jamaican Speaking

De fly in a we, De fly in a we, De fly in a we, De fly in a we. We no know no fly, We no know no fly, We no know no fly, We no know no fly. We cut and crass we waist, We cut and crass we waist, We cut and crass we waist, We cut and crass we waist. We rid and separate, rid and separate, rid and separate, rid and separate. **Dance this last one any way you want.** We no in a it, We no in a it, We no in a it, We no in a it. Then say: I go to where I am to beeeeeeeeeeeeeeeeeeeeeeeeeeeee; then stop and wait a few moments before moving or speaking.

Devel Violence Lust

The devel likes violence. They devels get excited when violence is advertised, when it overpowers the TV news and information. The devels make wickedness so they can see wickednesses. What we see on TV every day is the devels show and the devels bringing wickednesses in our face, knowledge, and into our lives. We do not know how these wickednesses can happen when we do know what is right from wrong. It is not us doing the wickednesses it is the devels.

Outsiders Devels

Most of the devels who are leading us, terroring us are not from our side of the Esistence and not from our environments. They want what we have, and they do not want what belongs to them. They want what belongs to you my children. They are using you to kill yourselves, to kill each other and to kill me.

You are doing what they want you to do, and they control you and you cannot protect yourselves from them. They are laughing at you killing yourselves and me over and over again. Sue Kelly from the Department of Health and Human Services/Centers for Medicare and Medicaid Services (HHS/CMS) is one of them. Chuck Wanko from the same HHS/CMS is another. Mark Hatfield of the Port Authority, Department of Homeland Security/TSA, and Miami International Airport, is another, Laura Griffin from the TSA is another. Some of the others are DL Wright-

TSA, Barak Obama-President, Donald Trump-President, Rick Scott-FL Governor, George Pataki-NY Governor.

Many Outsiders are also Port Authority of New York & New Jersey employees, many state employees, many city employees, many county employees, many federal employees, many bank employees including the presidents and board of directors, many professors or teachers in colleges and high schools. All of you identified here are you from this Earth and from my chreations? Are you one of them? Are you woman or man? All the Outsiders in my Earths and Chreations right back to the original devel and putting themselves in the esistences under my authorities are beyond the beyond of the highest level of punishments to the beyond.

The Two Sides of Esistences

For the two side of the esistences there are four parts. Each side has two parts, and so it is one whole esistencee. There is the East Side and the West Side. As my information was removed from me, I AM doing the best I can in sharing the information with you. I Paulett Angella Hemmings AM originally only on the East Side. On the West side there is a highest Leeder or one of the highest leeders, and that name as I am told, and I have seen her, is a woman name Sandra Marina of the Port Authority of New York and New Jersey and she is in charge of the Records Division of the Department I worked in when I was at the Port Authority. Sandra Marina puts herself in my Port Authority of New York and New Jersey and put herself in the records division, so she can control my information, the information of my children, my information about my properties, and my Earths.

I am told, above the Highest Leaders are the ones who do the Blue print or the Blue notes. They map out and create a diagram of the two sides of the existences, and they are not the ones who Chreate of make life in any form or the other. Those who make the Blue notes leeders, once they are made and fully satisfied with their process they expire and never to return.

The East Side Leader and the West Side Leeder chreate or make a person of many different types. The form of those on the East side is different from the West side. The West siders do not like themselves and they want to be the same as the East side. That cannot be, as there must be a difference, and everyone is not the same.

On the East side, Paulett Angella Hemmings Side are the A and B esistences: The Abaca and the Buchere. On the West side are the: The C and D esistences. Cipriani and the Dugan.

The Cipriani which is the highest of the two on the West side are the thieves. The West side do not make or create the Penis ones and are they are not to use the Penis ones or to have the penis ones, but they do, as they have stolen them.

I Paulett Angella Hemmings Chreated the Penis Ones and they are only for my Life Chreations. So, on the East side in the Abaca and the Buchere esistences, I have Life Chreations of different types. However, the East side has other types of esistences that are not Life Chreations. Life Chreations has both woman and man built in them. I taught others in my esistences how to Chreate the Penis Ones, and they are only allowed in my chreations and not outside. All Penis ones, no matter where they find themselves, no matter what they have done, or where they believe they are from, belong to the East Side. The man can say: **I go to the best place for me to be.**

The Cipriani highest Leeder opens the channel between the two sides and went inside my B esistence and overpowered a few of them to make her a man to fit in her esistence with Mal rule or illegally. After a while, when the man became bad and began to leed and everything got out of control, the Cipriani Leeder opens up the channel again so the devels could tear down their areas and get out and wander away, so she could say it is the bottom of her esistence at fault and not her own fault. The esistence of man created many problems for her area, as no man is to be there, and she does not know the purpose of man. After a while, the Ciprianis took my Spectres and my Chreations and remake them into west siders, and those man do not know their original esistence and they are cut-off from knowing me, as many things were removed from them, so they are not connected to me anymore, and they are also remade to fit that esistence. After a while the Ciprianis became insects, as the continued to terror. One of the man that the West side leeders stole and remade to fit their area, wanted to become the Leeder, and he destroyed from the Cipriani C area to the D area and then across the channel to the B area and then to the A area to destroy up to now. I was told that the Cipriani highest leeder also got those above her who are the Blue notes developers, interested in the man design and got them corrupted, so she has many others on her side. The Sandra marina from the Cipriani is still around.

Up to today, the women from the West side do not have children from having sex or intercourse with a man or anyone. The women have their children the way the original esistences were made with only women having children on their own without the input of a man or the penis.

All the Penis ones are all Originally Life Chreations and for the East Side and from the East Side. They are not Chreated to be on the West side no matter how or what they were remade from.

The identification I am given are below:

<u>Esistences</u>	<u>ID</u>
Abaca	Gerno
Buchere	Interlope, Interlopean, Guzman, Centes,
Cipriani	The Cat in the Hat, Dr. Suisse/Zuisse
Dugan	Cesare, Geneses
Not Sure as flip confusion: Series	

The Cipriani is the fly that is the white back Anansi/spider insect who is the Cloud information carrier and records keeper. The Cipriani is the mosquito and the fly. The Cipriani is the leeder of the devel and the military, police origination, court origination, prison origination, interrogation origination, criticism originaton, wickedness and terror originations and more.

The Cipriani highest Leeder she created many disruptions in the esistences. She did many switches. The Cipriani highest Leeder switched some of the names around. She gave my Buchare esistence the name of Dugan and she took my Buchare and call her Dugan esistence Buchere. Therefore, instead of A +B and C + D, what now esist is A +D and C + B in name. This is a flip flop of the names and a flip flop confusion. I use the word people for lack of a clearer description. This caused the peoples of both esistences to have confusion and Cipriani Leeder, she just kept on skinning her teeth and with a permanent plastic teeth smile on her face all the time. The Ciprianis have taken my esistences and chreations and turned them into devels. They hide inside my chreations and to use them to kill themselves, each other and to kill me over

and over. The man existence as they are on the West side, is a remake of my penis ones into the west side and not my original chreation and not permitted by me. All devils on the West side who have created terror, deaths, wickednesses and much more are dust and beyond dust.

Sandra Marina said that she is not getting what she wants, so the wickednesses continue. She said that she wants for her children from her body not to go into the hell or put in prison. However, everybody else including herself must pay the penalty for their wickednesses.

I am told some of those who have been remade to fit the west side and originally from the West side, who are living in my Earths and this Earth are: Andrew Cuomo and George Pataki, Governors of New York; Beance Knowles, Alicia Keyes, Donald Trump, Barak Obama, Stanley Breznoff, Chuck Wako, Sue Kelly; Mary J. Blige, Mark Hatfield, Laura Griffin, DL Wright and many others. All of you listed here and others, are you from this Earth and my chreations? Are you from the East side? Are you woman or man?

You are to look to see if the Housewives of New York, the Housewives of Atlanta and others are from this Earth or not.

Military

All the Militare (military) are all Gazilliontly Giganthumly beyond the beyond of dust to the beyondddddddddddddddddd.
