CONGRATULATIONS!

On July 13th at the annual Tacoma Chamber of Commerce Awards Luncheon, The Hilltop Street Fair was honored to receive the 2018 Public Places Award. This award recognizes the Hilltop Business Association for The Best Activation of a Public Park, Open Space Or Area Within The Public Right Of Way.

THANK YOU!
Hello all,

It’s time for our Annual Hilltop Street Fair! This year promises to be bigger and better than ever. This year’s Street Fair will open with our first Hilltop Parade. We are excited about the notion of having classic cars, clowns and marching bands kick off the festivities and celebrate the Hilltop. I would like for all of the businesses of the Hilltop to be represented in the parade. Whether you have a car, bike, or horse put sign on it and make sure folks see your name as we open the Street Fair this year. Contact Mario Lorenz to register. We are going to have a great time I know. All you have to do is participate and the rest will take care of itself.

Thank you to all of the volunteers and organizers of the Parade and Street Fair.

All the best,
Anthony Steele, President
Hilltop Business Association

Festivals promote diversity, they bring neighbors into dialogue, they increase creativity, they offer opportunities for civic pride, they improve our general psychological well-being. In short, they make cities better places to live.

--David Binder

The street fair in its infancy had nothing but courage, caution, and a whole lot of heart to move it along. It is different now as we move into our fifth year with growth, a feeling of pride, a deep love for our districts community, and a history of cooperation and success as our modus operandi. The Tacoma Chamber of Commerce has found us worthy of a first place award for the best activation of a public park, open space or area within the public right of way. Two years ago we received a NUSA (Neighborhoods USA) Award. The Hilltop Street Fair is an award-winning event. We are seeing the fruits of our labor, and the David Binder quote is coming true for Hilltop. It is in part because of events like this that neighborhoods and cities are transformed for the better.

We are at a crossroads, and it seems that at all times in Hilltop we are at a crossroads. Our city is changing more rapidly than we are prepared for. The new challenge in our streets and the campsites that exist practically everywhere are the symptoms of this change. Living in Hilltop, that many of us call home, is not so easy at this time. Property values rise, people are displaced, and there is a shortage of housing. The transformation that comes with this kind of movement is creating new changes whether we are ready and can adapt or not!

The 5th annual 2018 Hilltop Street Fair, at the district president’s request, has a parade at 11 AM on Saturday August 25th with the Buffalo Soldiers leading with a color guard. Excitement fills the air. The parade will begin forming at 9:45 AM at Peoples Community Center on 17th and begin at 11 AM moving through the festival and continuing to 10th and into Peoples Park for an opening ceremony. Participants will need to fill out an entry form which is in this newsletter and will be available elsewhere.

What more is in store for the 5th annual 2018 Street Fair?

There’s a circus tent in the empty lot across from Hilltop Loans sponsored by Bill Korum Nissan and BASRA. The established Black Top Rebel’s Vintage Car Show will once again be in the Rite Aid lot. The Peterson Brothers will again produce the 1111 Stage. The Peoples Park Unity stage sponsored by KTBC will be alive with bands, hip-hop, and other entertainment. Along with our usual children’s activities, there will be a surprise sponsor that will add a new dimension to the children’s activities in
Peoples Park. Mr. Mac's Stage sponsored by the Community Health Plan of Washington will have several bands and the always remarkable fashion show. The Unity through Diversity Quilt Show will be housed at Allen AME. The film competition this year is at the Community Health Care Community Room. Centro Latino will have its market and a Columbian Band just outside. A Raggae Band will perform at Quickie 2 at 14th street our newest expansion of the street fair. There will be roving entertainers and at this time we have as many vendors as were with us last year. The food court will begin on 10th and stretch around on L street almost to 11th.

The Parade will be a big deal as we have no idea if it will be the first and maybe the last parade for the Street Fair as we begin welcoming preparations for the Link Rail to appear. Perhaps this parade will become another transforming beginning of a wonderful tradition that will make its mark and leave us forever changed for the better.

Did I mention that we are making preparations and ordering the new banners for the street to be ready for this year’s Street Fair. There is still much to be done, so say a little prayer for me, as the time approaches for you to engage the courage of inclusion and the compassion of your heart and join the parade to the 5th annual 2018 Hilltop Street Fair.
