# FALL BEGINS FOR SI MUSIC CITY NASHVILLE

Soroptimist International of Music City Nashville held its September meeting at the Beech House in Nashville, the beautiful home of our speaker. The meeting was a combined business and program gathering on Tuesday September 13<sup>th</sup>. We proudly welcomed Jennifer O'Neill, our guest speaker. As well as an internationally acclaimed model, actress, film and television star, Ms. O'Neill is also a tireless advocate for charitable causes. Her Hope and Healing at Hillenglade in Nashville supports military warriors and their families. Among her many topics she speaks about, Teen Suicide Prevention and her work at Hillenglade were the subjects at our meeting.

President Priscilla conducted an informative business meeting following Jennifer's amazing conversations while light refreshments were served by the members. Both members and guests had been asked to bring an item for a "thank you" basket to several Nashville Police Precincts that have lent us their facilities for fundraisers in the past.

Ten guests were provided lots of information about Soroptimists, our club, and the projects that we do. It was a great evening with bright hopes for new members!
