April 16, 2018

To the Sherburn and Welcome City Councils,

The department logged 190 calls for service in the month of March. This brought the total for the year to 548 calls. In comparison, the department logged 550 calls in 2017 and 600 calls in 2016 for the same reporting period.

Response time average for the department was 2 minutes and 32 seconds. This is in the average range for the department.

The web-site saw 2,904 visitors in the month of March. This appears to be the new average for the department. We will continue to try and keep this site updated with new information so people can stay informed.

March and the beginning of April have been very unseasonable with significant snowfall almost weekly. This is really hindering the department from completing the Spring clean-up tour, but the plan is that Welcome will be done this next week and Sherburn the following week. Hopefully, we will be able to see all violations, but with some covered in snow, we may have to get those after the snow has melted. In any event, we still plan to have all residents who have violations notified by the end of April and will issue citations for any issues not addressed during the first week of May.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".

Brad L. Hughes
