City of Clark Council Meeting January 2, 2018

Call to order: The Clark City Council met in session on January 2, 2018 at 7:00 pm in the City Hall Council Room.

Council Members Present: Brian Cook, Belinda Hanson, Kerry Kline, Dennis Larson, Louann Streff and Andrew Zemlicka.

Others Present: Mayor John Pollock, Finance Officer Jackie Luttrell, Bill Krikac, Jeremy Wellnitz and Don Weigel.

Mayor Pollock called the meeting to order at 7:01 pm.

Motion # 001-2018

Adopt Agenda

Motion by Streff and seconded by Larson to adopt the agenda. All members voting yes. Motion carried.

All stood and recited the Pledge of Allegiance.

Public Input

The Mayor, Finance Officer and four council members attended the county commissioner's meeting earlier in the day to learn more about the proposed appraisal increases that the State is requiring the county to do. Vanguard will start a county wide re-appraisal in April with the new appraisals to be effective in 2019. However, the 2018 appraisals are in question as to how much they should be increased. City may need to consider changing our building permit policy to require permits for remodels and home improvements.

Retention Pond Update

Don Weigel from Clark Engineering was in attendance to review the remaining work on the retention pond and to discuss the gravel change order from November. The project's total cost has increased less than 1% from the original estimate which is exceptional for a project of this magnitude.

Mayor & Department Updates

Chief Wellnitz gave a December police report, end of year report and comparison from previous years. Mayor Pollock gave department updates.

Charters of Freedom Monument

Dave Adam was in attendance to voice his desire to put in a Charters of Freedom monument in the city. A short video was watched and he explained the co-founder has agreed to donate \$20,000 to cover the cost of the project. After discussions, the Makens land adjacent to Flat Iron Park appears to fit the location. Adam has had indirect contact with the owner, Beth Makens, and was told she'd donate the land for the project in exchange for naming rights of the park. Many details need to be worked out, such as who would own the park, upkeep the park, pay the electric bill and more. Council is not opposed to project, but at this point don't have any action to take. Adam will work with City Attorney Fjelland to work out details for future meeting discussion.
