To the Sherburn and Welcome City Councils,

The department logged 268 calls for service for the first month of the new year. This is up from last year when we logged 184 and from 2017 when we stood at 199 at the end of January. House watches at this time of the year account for many of our calls as more and more residents utilize this service when they head south for the winter.

The department web-site logged 3,131 visits in the month of January. This was well above the monthly average of 2,500 visits per month. This was likely do to the number of weather issues we had in January. While the first part of January was relatively mild, the month finished very cold with snow.

The department closed out 2018 with 2,114 calls for the year. This was the highest number of calls for the department in a single year to date. Our highest prior to this was 2,000.

Part-time officer Eian Denton left the department in January. Eian was offered a full-time position with the Murray County Sheriffs Office. We wish him the best in his new endeavor.

We have been working diligently when we get snow events to have all the cars removed prior to plowing. So far, we have had no issues with having to tow vehicles. I hope this continues.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".
