From the Presidents' Desk

FINALLY!! We're not driving to dance on Wednesday nights in the dark. The clock moves ahead on March 8th.

Spring is just around the corner. This means that we will soon be at the end of our 2019 - 2020 class year.

However, we still have a lot to do before the "year end" arrives in June. We have a small, but wonderful, Rail Duster class. This class is catching on to square dancing, and they are doing very well. This means we all have to put our thinking caps on and start planning on who we can recruit to to join our Trail Dusters' family this fall.

We will be having a **class level dance** for all Trail Dusters and Rail Dusters on March 14, 2020, at **8:00pm-10:00pm**. Everyone, no matter what level you dance at, will have a great time at this dance. Let's all get out and support our class level dance. See flier on page 10.

For those of you who have not purchased your ticket for the Saturday, March 28th fund raiser play, **You're A Good Man Charlie Brown**, you are in luck. There are

four tickets still available. This is a fun night for the Trail Dusters that cannot be missed. See flier on page 11 for information on how to buy your tickets.

The other thing that no one can miss is our Spring Weekend. The theme of the weekend is "High School Hangouts." We will be staying in Indian Wells from June 5th – June 7th. This is such a wonderful time for all the Trail Dusters and Rail Dusters to have fun and bond together. Send in your deposit right away to make sure you reserve a space for the weekend. See article on page 5 and flyer on page 12.

Don't miss all the fun!

Class Level Dance
March 14th – 8:00pm– 10:00pm

There is no Round Dancing this month

As many of you know, since September, our Rail Dusters have danced quickly through Mainstream, and are now learning Plus. They have been practicing by attending Class Level dances over the past three months.

On **March 14**, our Club is once again hosting a Class Level/Fun dance featuring all the moves our Rail Dusters have learned and with two callers new to our students. This dance features **Andy Allemao and Dick Hodenfield**, two excellent caller/ teachers. These experienced callers will make the Rail Dusters feel comfortable and confident with their choice of music and smooth calling. The evening guarantees that both the Rail Dusters and Angels will enjoy a FUN dance with tips that will entertain. See flyer on page 10.

Dick has been the caller/teacher for Boots & Slippers in Simi Valley for over 40 years. He and his wife, Gail, are often seen at Club dances where he is not calling. Over the years, he has been responsible for teaching hundreds of dancers and has been a strong advocate of square dancing and is a well loved caller in Southern California.

Andy is from Chula Vista. He first was introduced to square dancing when he begrudgingly attended his first square dance class in 1999. After that first class, Andy and his wife Tami were hooked. In the summer of 2003, Andy attended a caller school run by local caller coach John Marus, and now he is the caller/teacher for three weekly clubs in the San Diego area; a Hexagon club, a Multi Level club (Basic thru A2), and a traditional Plus club.

As a caller, Andy believes that his job is to facilitate the dancers' enjoyment of each other. To Andy, a successful square dance is one where the positive energy is high, dancers dance smoothly and confidently, are challenged a bit, but most of all share a hearty laugh or two.

We all once were at the beginners level, and I am sure you can remember the angst you felt when contemplating actually going to a Square Dance as well as the flutter of excitement of leaving the "nest" and joining our community on the dance floor. We need all Club members to join us on March 14 to support and encourage our Rail Dusters. Remember it is a **Shamrock Sashay** so the wearing of the green is encouraged!

Sandra & Robert Sobel will as usual round up other Trail Dusters to provide an abundance of snacks. Everyone

knows that there are no calories when you are square dancing, so nosh, nosh, and nosh. Then poke your head into the kitchen and say thanks.

Your roving reporters from Canada,

Shirley & Collin Brown

Love Was In The Air At

Our February dances

Love was definitely in the air all weekend for our Club Dance and at the A SquareD Sweetheart Dance in Hawthorne.

The dancing started off Saturday night at Wilkinson with Rod Shuping calling and Milo Molitoris cueing.

Most dancers wore Valentine colors as they laughed having fun to Rod's calls. Jeri and Ron Sobel

were in charge of the main desk, as usual, and **Maureen & Shelly**

Fried had kitchen duty this month with the constant help of **Sandy & Robert Sobel**. We had a Valentine Heart sheet cake, plenty of veggies, and a huge fresh fruit salad along with our other munchies.

Sunday was the annual **Sweetheart's Ball** in Hawthorne and we had the pleasure of

honoring **Farryl and Bill Dickter** as our 2020 sweethearts. Every year AsquareD likes to celebrate the stars whose extra efforts keep our Clubs vibrant.

The huge hall was flooded with a plethora of red, white and pink fabrics. The dancing tips, rounds and gift baskets were an amazing sight to see. Johnny Preston and Romney Tannehill kept us jumping all afternoon and Joe Scarletella guided our round dancers through numerous smooth tips.

Posters of all the Sweetheart couples adorned the walls of the room. Over 400 dancers who attended had a fabulous time.

Our Trail Dusters extended the fun afternoon by dining together at the Marie Callender's in Sherman Oaks.

Thank you Farryl and Bill for the delicious truffle candies you handed out and for all the extra hours you put in for our club's benefit. We are so lucky to have you two as members. Wishing all of you a wonderful Valentine's Day filled with love, friendship, and good memories.

Sunshine & Showers

The month of February brought a mixture of sunshine and showers to several of our "family" members.

Reuven Zeavy recently returned from Israel where he spent his dear Mother's final hours with her before her passing. At 97 years of age, **Reuven** said she had a full life and died peacefully with her

family around her. To you, **Reuven** and **Marlena**, and to all your family, we convey heartfelt condolences and sincere wishes that your many memories made throughout your Mother's life will remain with you and bring you comfort ~ now and in the years to come.

I'm happy to report that **Alex Strouzer** is now at home and recovering well following recent surgery. **Alex**, may each day find you feeling stronger and closer to being completely healed so that you are able to return to the activities you most enjoy – especially square dancing!

Sincere best wishes for a speedy recovery go out to **Diane Jubelier-Light** who is healing after being hit by an SUV in a parking lot on February 10th. **Diane** was walking to her car and did not see the SUV backing out – nor did the driver see her. She sustained a broken left wrist (fortunately she is right-handed!) and is now wearing a cast and is in physical therapy for her neck and knee. **Diane**, we hope that each new day finds you feeling better and that it won't be long before you are completely healed!

Miriam and **Bernie Brauner** are the proud grandparents of a brand new bouncing boy born to their son Jacob and daughter-in-law Negin. The baby was officially named Julian Dov Brauner on February 18th. The **Brauners** are also grandparents to nearly 7-year-old twins, so they are going to be busy with babysitting duties for a while! **Miriam** and **Bernie**, we wish you much happiness and joy as you go forward. We're thrilled for you!

While dining with friends at a restaurant recently, **Kay** and **Don Mann** received a very exciting phone call. Their eldest

granddaughter, Mara Mann, had just become engaged to her long-time boyfriend, Ed Bentl! A truly romantic young man, Ed proposed on bended knee in the presence of their two families and several close friends ~ a complete surprise to Mara! The bride-to-be will graduate from Cal Baptist U. in May and will then attend Pepperdine U. in pursuit of her Masters Degree in Education. A wedding is planned for some time in 2021. To you, **Kay** and **Don**, and to your family, we extend our warmest CONGRATULATIONS on this most special occasion. You have much to which you can look forward!

Glen Sobel, world-renowned drummer and son of **Jeri** and **Ron Sobel**, has been invited by the Producer of The Seth Meyers Show to be the "House Drummer" for March 2nd, 3rd, 4th and 5th. This will all take place at New York's Rockefeller Center where Glen will film the shows that week. The shows air following Jimmy Fallon on NBC – at 12:30 AM! You might want to set your DVRs as that air time is a bit late for most of us! CONGRATULATIONS to you, Glen, and to your proud parents. Your list of accomplishments just keeps growing!

What a pleasure it is to be able to share so much "sunshine" this month! Thank you to all the above mentioned people who have taken the time to share your news with our Trail Duster "family."

Please remember to contact me by e-mail at the address shown below and let us know what is happening in your life that you would like to share. Remember, this is for RAIL DUSTERS as well as Trail Dusters! I will then call to confer with you before putting anything of your news in the paper!

Wishing all of you much sunshine in your lives! I look forward to hearing from you.

Fondly,
Rusty Kaman,

Showers Chair

THE
2020

SPRING WEEKEND HIGH SCHOOL HANGOUTS

Get ready for shmoozing, sunshine and swimming! This June 5-7, we will be partying at the Indian Wells Resort in the Palm Springs area. It was built by Desi Arnaz and is a fabulous tribute to the 40s.

Our theme for this weekend is High School Hangouts. Let's look back fondly at our high school days and recall the places we went, the things we did and the fun we had.

The malt shop, the football games, the

bowling alley, the drive in movies, the music and the friendships you made bring back so many memories.

We will be checking into the hotel at 3:00 pm on Friday, Happy Hour will be starting at 5:30 pm and new surprises will follow. You can participate in our many tours, visit the sites on your own or just relax at the pool. You can also learn to play the ukulele and dance to the Charleston.

The weekend is very casual and there is no square dancing. Wear comfortable clothes and shoes. Bring a jacket for the evening and a bathing suit to socialize around the pool. We will check the weather report as we get closer to

the event. Don't forget your "maj" cards and your cameras and/or phones to take pictures against our backdrop. You won't want to miss the photo op booth we will have set up. Our evenings won't end until we close down the Hospitality Room after midnight.

There is still time to display your talent and act in our new play on Saturday night.

Friends, you won't want to miss this weekend! See flyer page 12.

Your High School Advisors,

Sherwin & Caren

Paula & Al

Refreshments

The Refreshment Committee members continue to look forward to our Wednesday nights of dancing and serving snacks to give you some energy. We want to thank all of you who have already brought refreshments this year.

A great big thank you to **Rainy and Sheldon Levin** for being

the "special" kitchen helpers for the month of February. We really appreciate their help.

As you know, you will receive a monthly email with a list of who is assigned to bring refreshments. Then you will get an email reminder and a phone call. Thanks to Joni Simon, who volunteered to make the calls.

Please bring your snacks to Bay Laurel by 6:45, cut up, plated and ready to serve. Please help set up and **clean up that evening**. If you are unable to participate, please find a replacement. This is your responsibility. Then call Al Masters to let him know (818)203-0978. Everyone needs to pick up their own cups of water and coffee. Thanks to **Sandy & Bob Sobel**, who are always there to help with our clean up efforts.

Since we are talking about food, we'd like to share with you a list of companies that offer discounts for people 50 and over. Applebee's and Arby's offer a 10% discount. Chili's, Burger King, Denny's are also in this list. Jack in the Box offers 20% on beverages. Outback Steakhouse will give a 15% senior discount. Dunkin Donuts and IHOP also participate in senior programs. This information comes from Seniors Discount Club and is subject to change.

Ways & Means

Things continue to go great in the before class "dining" department. We've added a few new restaurants to the selection and the group has enjoyed them. Last week, we had a crowd numbering 42 - a record high. We are having larger numbers each week, which is wonderful. Most important is that we eat, we socialize, and get to know each other **AND we make money** for our club. Isn't that great? So keep coming and ask others to join us. This month we have a new restaurant to add to the selection, **Daphne's Greek Restaurant**. Be sure to mark your calendars for 5:30 each week.

Speaking of restaurants, here's some information about Phillippe. The original was established in 1908 and is in their present location since 1951. This family is the creator of the "French Dipped Sandwich." You can get either roast beef, roast pork, turkey or ham on french roll and dipped in their natural gravy. The price of a cup of coffee was a nickel until 1977 then increased 100% to a dime and then in the last 5 years to 45 cents. It still has sawdust on the floors and cracks in the wall for added atmosphere.

The schedule of restaurants for March is as follows:

March 4	The Stand
March 11	Salad Farm
March 18	Hook Burger
March 25	Daphne's Greek (next to Salad Farm)

Simi Valley Cultural Center is located at

50 East Los Angeles Street, Simi Valley, CA 93065

The Wedding singer has gotten a divorce and is being replaced by "You're a Good Man Charlie Brown" written for adult audiences with an adult cast. This new script features two new songs, has funny dialogue and catchy orchestration.

The whole gang is here: bossy Lucy is hopelessly in love with piano prodigy Schroeder who doesn't give her the time of day, perfectionist Sally is still mocking blanket-toting Linus, Snoopy is in the doghouse, Charlie Brown, is in rare form. Brief vignettes span the months from Valentine's Day to Beethoven Day, from wild optimism to utter despair. In this revised version, with additional music and lyrics by Andrew Lipka and dialogue by Michael Mayer, the sweet, joyful innocence of the Peanuts gang is maintained.
