

Dr. Steven A. Johnson, MD, FACS nupeimhotep@verizon.net is the medical director of both the Multi-Specialty Surgical Practice and Surgical Critical Care at Capital Health. In addition to providing state-of-the-art surgical care to critically ill and injured patients at Capital Health, Dr. Johnson is available to both medical and surgical colleagues alike for immediate consultation on complex or unusual general surgical and trauma cases. He is also available to assist other sub specialists in acute emergency situations that may arise in the operating room, emergency room, ICU, inpatient or outpatient setting.

Dr. Johnson received his medical degree from Thomas Jefferson University's Jefferson Medical College in Philadelphia. He also served on a variety of academic committees at Christiana Hospital including Chair of the Faculty Affairs Subcommittee and Co-chair of the Trauma Executive Performance Improvement Committee.
