

November 2012

Nobles,

Let me start by saying "Thank you" to all Nobles who attended our October meeting.

My yearend fast approaches and there is still lots to do. Please read this bulletin for up and coming events. Our November General meet will be a good one, starting with the Pioneers Night hosted by the Past Presidents followed by our Annual General Meeting with elections. Please make a point to attend. (See bulletin for information)

Nov. 17th is the Christmas Parade, which our Cycos unit will be in with their small cars and bikes. If any Nobles would like to participate in the parade please contact me and we will accommodate you.

The Circus chair and a small group made a trip to Duluth it on Nov. 9th and met with Noble Ryan Kern (AAD Temple) about possible marketing options for our Circus. The meeting went very well and a lot of positive ideas came out of this meeting, which I am sure our Circus Chair Noble Ed Carr will share with all.

I must say I have enjoyed my year as President and hope I have not disappointed anyone. There are a few things that I did not get done and hope to carry on with them as the Immediate Past President.

Nobles like most things in life, what you put into it you will get back. It's not enough just to be a member, get involved have fun that's what being a Shriner is all about. Call a Noble you have not seen for a while and get him out to our next meeting.

Remember our Potentates message this year,
"DO IT FOR THE LOVE OF A CHILD"

President of the Lakehead Shrine Club,
Noble Tony Biscardi
