

April 23, 2020

To our valued sponsors, spectators and contestants,

We would like to thank everyone who has supported the Battle of the Rockies over the years. Whether through sponsorship, attendance or simply sharing our announcements.

We are so proud to be a part of this great community and region. We hope to continue to be so for many years to come.

Unfortunately, due the situation with COVID-19, it is with heavy hearts that we announce the 11th annual Battle of Rockies scheduled for August 13-18, 2020 at the North Saskatchewan River Park will be **postponed** until the 2021 season. Under current restrictions and guidelines as well as being conscious of our economy, we are unable to host the event this year. Despite this, we will remain hard at work planning to ensure we can come 'roaring back' for the event in 2021.

We appreciate your understanding in this unprecedented time.

Be well and stay safe.

With thanks,

The 2020 RMCA Board
