

Hello Region 18

What a busy summer it's been! It's almost over so get out there and support other regions functions and get your riding in.

We welcomed new members Brian, Cory and Matt, welcome and thanks for giving a shit!

Merry reminded us that it's been a year since the Walkers were killed on their bike and the guy who hit them is finally going to court on August 28. She asked for members to go stand up for them by being in the courtroom. Monroe County courthouse, Judge White's court. !

We're probably going to move the date for the family picnic next year because it's the same weekend of the State bike drawing. We want to get with other regions to try not to schedule our events the same dates.

Thank you to all who worked the fair. We sold some tickets and was in the public eye again. We talked about the Bad to the Bone run that's Aug.12. Hope you showed up for it. Dan had a mini poker run after the meeting and he raised \$80 for PAC. Way to go Dan! He is working on the color run in October. It was great last year, if you can make it you will enjoy it.

We have our family picnic coming up September 9. VFW in Maybee, 2:00. Please bring a dish to pass if possible.

Road pickup, (last one this year) is Wednesday September 27 @ 6:00.

Color run, October 21

Halloween party October 28

Winners last month were Chains, Mike Campbell, Mexican, Dan Conner and Tom Diaz. Congratulations all of you.

That's it for this month, hope to see you real soon.
