140 years of insuring real estate operations [Print](#)

With 140 years of experience insuring real estate operations, Fireman's Fund understands the risks you face as a property owner, lessor or manager. We offer custom coverage that goes beyond basic insurance to provide you with risk management solutions that are right for you.

We understand the importance of insuring not only your building, but also your assets, rental income and employees — our coverages can help you with everything from water damage to a damaged reputation. We also offer protection for certified green or historic buildings, as well as special pricing for buildings that qualify for Highly Protected Risk (HPR).

Enjoy Superior Coverage

Our dedicated property experts are familiar with the unique challenges of insuring real estate and offer responsive claims and risk services, and a nationwide network of contractors you can call on for emergency estimates and repairs.

We offer solutions for:

- Office buildings
- Retail space
- Industrial property
- Condominium associations
- Commercial condo units
