Liberty Hill Project Graduation 2022 Donation Form

Liberty Hill High School Project Graduation, Inc.

Dear Business Owner/ Manager,

Liberty Hill High School held their first Project Graduation celebration in 1988. It has become a tradition, and we are hoping that you will consider participating in this annual event!

The concept of Project Graduation began in Maine in 1979. Seven students from one high school lost their lives after their graduation ceremony as a result of driving while intoxicated. In an effort to prevent the recurrence of such a tragedy, the community began Project Graduation, a party that is recognized by schools throughout the country.

Liberty Hill High School Project Graduation will host a graduation celebration for LHHS *Seniors*. *We are already planning the 2022 celebration for approximately 500+ seniors. This party*, known as Project Graduation, will be held on graduation night at the Liberty Hill High School. The event is a **SAFE, CHEMICAL AND ALCOHOL-FREE PARTY** that undoubtedly has saved many young lives by offering them an alternative to other post-graduation celebrations that might be conducted in less safe environments.

School funds are not allowed for this celebration, thus requiring individual, private and corporate donations. All funds used to pay for the party are raised through community donations and fundraising activities. Please consider making a donation to the Liberty Hill High School Project Graduation. Both monetary and other donations (prizes, food or raffle items, etc.) are welcome and very much appreciated! It is through the generosity of businesses/organizations like yours that we are able to continue this safe and fun tradition for our graduates.

Your contribution may be mailed with the bottom of this letter, or you can email us at LHPGrad2022@gmail.com to pick up your contribution.
