**Company**

Young pharmaceutical company is growing at an exponential rate and is seeking committed staff to join their team. Setting the benchmark in turnaround times, unparalleled customer service, and quality customers can always count on. Utilize the latest technology and enforce the highest standards for quality control & precision compounding, meeting and exceeding international compounding guidelines and provincial requirements.

**Position Summary / Candidate Profile**

A Medical opportunity working for a pharmacy located in Newmarket. This role is responsible for ensuring medication is processed correctly and an ideal candidate is detail-oriented.

**Job Duties**

- Prepare unique dosage forms containing the ideal dose of medication for each individual
- Medications in dosage forms that are not commercially available, such as transdermal gels, troches, "chewies", and lollipops.
- Medications free of problem-causing excipients such as dyes, sugar, lactose, or alcohol.
- Combinations of various compatible medications into a single dosage form for easier administration and improved compliance.
- Medications that are not commercially available

**Requirements / Candidate Profile**

- **Registered Pharmacy Technician (Preferred)**
- **Experience in aseptic compounding is mandatory**
- **A minimum of 1 to 2 years experience in pharmaceutical compounding**
- Available Monday to Friday from 7 Am to 7 PM.
- Prior experience working in a pharmacy lab
- Demonstrated knowledge and understanding of USP 797 & USP 795 Guidelines
- Exceptional attention to detail
- Ability to work under pressure and meet deadlines
- Strong computer skills including a good working knowledge of MS Office
- Ability to learn and operate new computer software
- Strong organizational skills and initiative
- Ability to multi-task in a fast-paced environment
- Sound judgment and understanding of the scope of practice
- Strong verbal and written communication skills
- Demonstrated customer service experience; strong motivation to succeed
- Possess a positive, cooperative and team-oriented attitude
