

# FLU AND CORONAVIRUS STRATEGIC PLAN

## STAY INFORMED

There is a great deal of fear and dramatization in the media concerning the coronavirus, but the flu can be just as dangerous - especially for older persons. **We will be keeping a close eye on the developments** to help you be informed of the real dangers. If and when the unfortunate time comes to cancel services, we will be ready to make that call.

## HAND HYGIENE

The best personal defense against both the flu and the coronavirus is to maintain good hand hygiene discipline. As such, **we are placing hand sanitizer all throughout the church building.** Be sure to take advantage of this and keep your hands free of germs. We suggest you also buy travel sized hand sanitizer and keep it with you at all times.

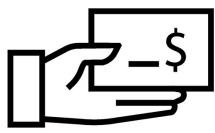

## IF SICK - STAY AT HOME

The number one defense against spread of both the flu and the coronavirus is to not share it. If you have any symptoms of either the flu or any other kind of bronchial condition, **please don't risk spreading it around to others.** Stay at home and take advantage of the online features offered for worship (see below).

## LIVESTREAM BROADCAST

If you do need to stay home because of illness of any kind, keep in mind that we livestream all Sunday morning services via Facebook Live. You can always watch the services from home. **Even if we cancel services, the pastor will still livestream his Sunday morning messages** so that we can all hear God's word to us for the week.

## ONLINE GIVING

Even when you are not able to attend, please do not forget to give your tithes and offerings so that the church can continue its ministries. **You can always give online** by going to [www.pawneebaptist.org](http://www.pawneebaptist.org) and scrolling down until you see the DONATE button. By clicking on that button, you can pay your tithes using a credit card or your own Paypal account.

## TRUST GOD FOR ALL THINGS

Most important of all, never take your eyes off the Lord Jesus Christ, who is always with you. No matter what happens, **He is in control. He will never leave you or forsake you** - even if you must walk through the valley of the shadow of death. We may never know why these things may happen, but we can always trust Him who is in control.

**DO NOT BE ANXIOUS ABOUT ANYTHING, BUT IN EVERYTHING BY PRAYER AND SUPPLICATION WITH THANKSGIVING LET YOUR REQUESTS BE MADE KNOWN TO GOD. AND THE PEACE OF GOD, WHICH SURPASSES ALL UNDERSTANDING, WILL GUARD YOUR HEARTS AND YOUR MINDS IN CHRIST JESUS.**
