Fifty Great States!

My country, 'tis of thee, sweet land of liberty, of thee we sing.

Sing a song of the states of the Union, three hundred million people strong, united, undivided, fifty great states in all.

Sing out for Minnesota, North and South Dakota, Alabama and New Mexico, Rhode Island, West Virginia, Mississippi, Hawaii, Carolina, North and South, and Idaho, Maine, Missouri and Tennessee, Connecticut, Nevada, Utah, Ohio, Colorado, Pennsylvania, New York, Louisiana, Iowa and Arkansas.

Sing a song of the states of the Union, three hundred million people strong, united, undivided, fifty great states in all. Sing out for Florida, Georgia, New Hampshire, California, Indiana, Oklahoma, Oregon, Delaware, Montana, Massachusetts, Virginia, New Jersey, Kentucky, Nebraska and Washington, Kansas and Texas, Alaska, Wyoming, Vermont and Michigan, Arizona, Wisconsin and Illinois, and last but not least, Maryland.

Sing a song of the states of the Union, three hundred million people strong, united, undivided, fifty great states in all, America, America, from seas to shining sea!
