Dear Mr. Ellsworth:

Verde Valley Caregivers Coalition has applied for federal financial assistance from the Arizona Department of Transportation (ADOT) for the FTA Section 5310 grant. As part of the grant application process, any entity receiving federal assistance from ADOT must comply with Title VI of the Civil Rights Act of 1964 (Title VI). ADOT's Civil Rights Office conducted its initial review of Verde Valley Caregivers Coalition's Title VI plan where the applicant was notified on June 3, 2016 of deficiencies and given 90 days to address the stated findings to comply with Title VI federal requirements as per FTA C 4702.1B.

At this time ADOT Civil Rights Office finds that Verde Valley Caregivers Coalition's Title VI plan is now in compliance with FTA federal guidance within the allotted 90-days. This compliance status report will be sent to ADOT's Multimodal Planning Division, FTA Section 5310 grant's program manager to be considered towards funding approval.

Sincerely,

DocuSigned by:
