Proposed Bylaws Amendments

#1 ARTICLE III, Section 3, A

Currently Reads

Associate membership in a club is open to registered Republican women who hold active membership in another Arizona club or who are registered Republicans in another state.

Amend To Read

Associate membership in a club is open to registered Republican women who hold active membership in another federated club.

Rationale:

NFRW Bylaws Article III, Section I, C defines “Local Club Associate Members” as “Republican women who have primary membership in a federated club.”

The current AzFRW bylaw which allows Associate Members to be merely women “who are registered Republicans in another State” violates the NFRW bylaw (women have to be active members in a federated club in another State, not merely be registered as a Republican in another State).

In addition, allowing only women to be Associate Members who are members in another Arizona club also violates the NFRW Bylaw which allows a woman to be an Associate Member if she has primary membership in any federated club.

#2. ARTICLE III, Section 2

Amend to Read:

Add:

D: No club that affiliates with any organization which is not officially recognized by the National Federation of Republican Women as working in concert with the NFRW and the Republican National Committee shall be admitted to or continued in membership

Rationale:

NFRW Bylaws Article II, Section 6, B-5 specifies that State federations and local clubs may be removed from membership for affiliation with any political organization which is not officially recognized as working in concert with the NFRW and the Republican National Committee.

This proposed amendment would bar local clubs from affiliating with any organization that is not officially recognized by the NFRW as working in concert with the NFRW and the RNC, thus saving the local club, the State federation and the NFRW from imputed legal liability where an unrecognized organization may run afoul of legal requirements, financial solvency or corporate duties

Proposed Bylaws Amendments, cont'd

#3 ARTICLE III, Section 4

Currently Reads:

A club may be removed from membership and have its charter revoked by the AzFRW Board of Directors by a two-thirds (2/3) vote for the following reasons.

- A. Failure to pay dues by the required deadline.
- B. Failure to maintain the required status
- C. Advocating a split party or supporting opposition candidates.
- D. Failure to support the party ticket or working against the expressed ideals and object of the AzFRW or National Federation of Republican Women.

Amend to Read:

Add:

- E. Failure to abide by AzFRW Bylaws or NFRW Bylaws.

Rationale:

Failure to abide by AzFRW Bylaws or NFRW Bylaws should be grounds for removal of a club from AzFRW membership.

#4 ARTICLE VI, Section 3-B

Currently Reads:

The written consent to serve if elected must be secured from each nominee.

Amend To Read:

The written consent to serve if elected must be secured from each nominee prior to nominations from the floor.

Rationale:

Candidates who expect and/or intend to be nominated from the floor can provide the president with written consent to serve if elected prior to their official nomination from the floor for ease of proceeding straight to elections.

#5 ARTICLE VI, Section I

Currently Reads:

The Executive Committee shall consist of the elected officers.

Amend To Read:

The Executive Committee shall consist of the elected officers and the immediate past AzFRW President.

Rationale:

AzFRW will benefit greatly from the experience, expertise, and history the immediate past president would bring to the AzFRW Executive Committee. The NFRW Bylaws include the immediate past NFRW President as a voting member of the NFRW Executive Committee.

Proposed Bylaws Amendments, cont'd

#6 ARTICLE XI, Section 2

Currently Reads:

The Call shall be sent by the President to each member of the Board of Directors postmarked no less than forty-five (45) days prior to the Convention

Amend to Read:

The Call shall be sent by the President to each member of the Board of Directors postmarked or sent electronically no less than forty (45) days prior to the Convention.

Rationale:

Allowing the Call to the Convention to be sent electronically will save costs to AzFRW and mirrors the NFRW Bylaws.
