

ADI

malla

Malla – Spanish for “mesh” – Malla has a breathable mesh back and the ADI suspension seat cushion that is not only comfortable, but looks elegant and sophisticated in any work place environment. The black resin and aluminum accent on the back is standard and gives Malla a place among some of the best ADI has to offer.

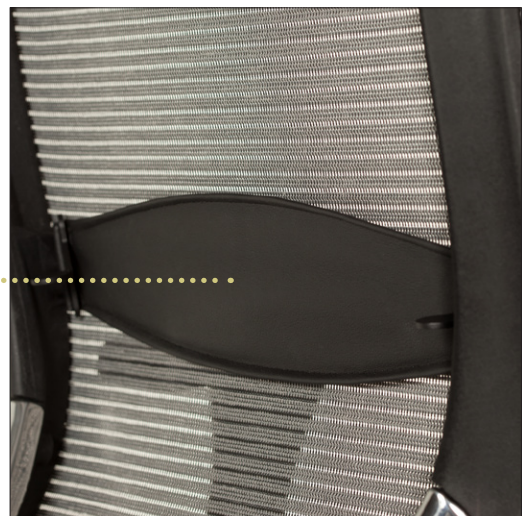

Available with 3 seat sizes, a multitude of arm options, mechanisms and an adjustable lumbar, Malla is a must have for any work environment.

The Malla side chair is a great complement to your working environment, as a waiting room or companion chair. It is also available with casters on all four legs to fill your meeting room requirements. The Malla can also be used on the award winning ADI beam seating program and as a drafting stool.

Malla is **Greenguard** certified. ADI is **ISO 9001** and **ISO 14001** compliant.
