Port St. Lucie, FL 34983

Dear Hellen and fellow PSLOS members:

We at MCOS want to thank you and your members for making our annual orchid show themed this year 'Orchids of Pirate Island' such a great success! Without your participation, our show would not be so successful as the public truly enjoyed admiring such beautiful displays. Congratulations once again on winning 1st place! Your team's time, effort and hard work obviously paid off! The public loved viewing such an award-winning display. We certainly enjoyed having you involved in our show and look forward to next year's show as well as your society's participation. Wishing everyone happy growing with lots of blooms!

With gratitude,

Nick & Debbie
